

Hi Mrs. Dickens!

I am so excited about spending the next six weeks with you and your second graders, and I know it will be a great experience! I am writing this letter to let you know a little bit about myself. First of all, I LOVE children, especially the little ones! I love watching them learn, and the way that they look up to you when you teach them new things. I also love their sense of humor in life, and simply their company.

I have been around children a lot, because I have been babysitting since I was sixteen years old. The two children that I currently babysit for are in 3rd and 4th grade. Their mom always gets me to help them with their schoolwork, which I love doing because it is great practice for teaching. Besides the love I have for children, I love being around family. My parents live in Oakwood, along with my younger sister Abbie, and our dog Lucy. I have always enjoyed holidays that allow me to see family that I see only a few times a year. I also love spending time with my friends, and working out. I have thoroughly enjoyed my time at North Georgia so far, and I am looking forward to the next two years. Along with the Education Program, I am also very involved in my sorority, Phi Mu.

I had a wonderful experience working with Mrs. Self and Mrs. Wendy in kindergarten, and I have already learned so much about teaching! In the next six weeks that I am placed in your class, I want to help you as much as I can with assisting you in the classroom. I am looking forward to learning even more in the next six weeks. Thank you so much for allowing me to come into your classroom!

Sincerely,

Haley Dover
